Day 1

Wednesday 11th March

Weather: Warm, dry and sunny.

Eight tour members met with Paul at Malaga airport, having arrived on three separate flights from London, Glasgow and Manchester. We made our way from the arrivals hall to the multi-storey car park, via the car hire desk, where our minibus was waiting.

Leaving the airport, we drove west and then north towards Alhaurin de la Torre, stopping in an area of open pine forest for an early inspection of the local flora. *Aristolochia baetica* (a Birthwort), *Teucrium fruticans* (Tree Germander), *Ophrys tenthredinifera* (Sawfly Orchid), *Ophrys speculum* (Mirror Orchid) and *Orchis conica*, were all seen. In addition, Green Hairstreak, and Spanish Festoon were spotted. Blackbird and Serin were also present. Moving on, we stopped at the top of a hill, overlooking Malaga, for a brief search for more *Ophrys speculum* (Mirror Orchid), but we were too early, However, *Ononis viscosus* (Sticky Restharrow) and *Vinca difformis* (Mediterranean Periwinkle) were seen, and a distant Hoopoe was glimpsed. In an adjacent tree, a Blackcap was singing.

We continued our journey on through Alhaurin el Grande, Coin and on up to El Burgo, where we drove higher into the Sierra de Ronda through the Sierra de las Nieves National Park. The last 10km down towards Ronda took no time at all, and we soon arrived at the 'Finca de Guzman', our base for the week. We were met by Peter, our host, who had provided pots of tea and coffee to refresh us. After freshening up, we met in the lounge for sherry and nibbles, before heading off for dinner at a local 'venta'.

Day 2

Thursday 12th March

Weather: Warm, dry and sunny.

After a superb breakfast, we drove down to a mini market on the outskirts of Ronda, to buy our picnic, before setting off on the Seville road to the village of Grazalema. As we drove, we recorded Common Buzzard and Skylark.

On the cliff faces just outside the town, we saw the cascading silver-grey foliage of *Centaurea clementei* (a Knapweed), and a short distance from the town, we arrived at the car park at the start of our walk. The occasional Griffon Vulture drifted aimlessly overhead as we set off.

Our morning walk was to be in the Sierra del Pinar. Along the path-side we found *Romulea bulbocodium* (Sand Crocus), *Ophrys fusca* (Sombre Bee Orchid), and the young leaves of *Ptilostemon hispanicus* (a Thistle). The path rose through *Pinus pinaster* (Maritime Pine) forest, mixed with *Quercus* species (Oaks) and *Juniperus* species (Juniper). Green Hairstreak and Small Copper butterflies were seen as we progressed. After about a kilometre, we emerged from the forest onto an open saddle, with splendid views in all directions. Exploration of an area of broken limestone boulders, adjacent to the path, revealed *Narcissus assoanus* (Daffodil) and the diminutive, yellow *Viola demetria*. On the northern side of the ridge, towards the Cerro de San Cristobel, we could clearly see one of only two relic population remnants of *Abies pinsapo* (Spanish Fir) forest.

After our descent, we took our picnic, before continuing on. Rock Bunting was well seen in the car park. We made a short stop at the 'Puerto de las Palomas' (Pass of the Doves) to admire the uninterrupted views. A little further on, we found *Orchis olbiensis* (an Early Purple Orchid), *Himantoglossum robertianum* (Giant Orchid) and *Gagea foliosus agg.* (a Yellow Star of Bethlehem).

Our last stop of the day was at the 'Gargante Verde', with the specific purpose of visiting the largest nesting colony of Griffon Vulture in Europe. Many of these majestic birds were present and we were fortunate to see a bird on the nest. Plants seen included *Ophrys fusca*, *Ulex parviflorus* (Small-flowered Gorse) and *Fedia cornucopiae* (Fedia). Black Redstarts and Crag Martin were also fairly numerous.

From here we set off back towards Ronda and the hyper-market, where we stocked up on picnic items, before returning to the Finca in time for dinner.

Day 3

Friday 13th March

Weather: Warm, dry and hazy sun.

Today we travelled in the opposite direction, towards the village of El Burgo. Just after we crossed the 'Puerto del Viento' we stopped to see a rather good display *Iris planifolia* (Flat-leaved Iris). Several Red-billed Chough and Spotless Starlings were circling overhead. Continuing on to El Burgo, we made good time, before turning right and on towards Ardales before we took the road along the eastern shore of the Embalse del Conde de Guadalhorce lake. Our objective was the 'Mirador' where three lakes meet. Here we parked. An exploration the *Pinus halepense* (Aleppo Pine) woodland revealed *Orchis italica* (Naked Man Orchid), *Orchis collina* (Fan-lipped Orchid), *Fritillaria lusitanica* (Portuguese Fritillary) and the splendid *Narcissus cantabricus* (White Hooped Petticoat Daffodil). Birds seen here included, Green Finch, Wren, Great Tit and Chaffinch and Griffon Vulture.

After our picnic lunch, we walked down towards the road, finding *Ranunculus rupestris* (Rock Buttercup), *Chaenorbinum villosum*, *Ophrys fusca* (Sombre Bee Orchid) and *Reseda suffruticosa* (a Mignonette).

From here we made our way to El Chorro, through a spectacular gorge, to the cafe by the railway station, stopping along the way to see *Acanthus mollis* (Bear's Breech) and *Rupicapnos africanus*.

On our way back towards the main road back to Ardales, we made a short stop to see *Dipcadi serotina* (Brown Bluebell), *Orobanche ramosa* (Branched Broomrape) and *Lavandula multifida*.

Our penultimate stop was made to the west of El Burgo, at the Mirador del Guarda Forestal. Here we saw *Saxifraga tridactylites* (Rue-leaved Saxifrage), *Quercus coccifera* (Kermes Oak) and *Hyacinthoides hispanicus* (Spanish Bluebell). We made one final stop to admire the *Iris planifolia* again, and, on the base of a low cliff, we found more *Viola demetria*, and the leaves of *Biscutella frutescens* (Shrubby Buckler Mustard). It was now time to make our way back to base for dinner.

Day 4

Saturday 14th March

Weather: Fine warm and sunny.

After breakfast, we headed off in a south easterly direction and into the Sierra de las Nieves National Park. Our objective was the Los Quejigales recreation area, situated some ten kilometres from the road. The park road took us, initially, through *Quercus* woodland and shrubby scrub below, then on up through a mixture of *Pinus halpense* and *Pinus pinaster* woodland, before emerging above the tree line into an exposed limestone area. It was in this latter habitat that we made our first stop to check out a colony of *Narcissus bugei* (Long-spathed Daffodil) with *Anthyllis vulneraria subsp. maura* (Mediterranean Kidney-vetch), *Prunus prostratus* (Prostrate Plum), *Asplenium trichomanes* (Maidenhair Spleenwort) and *Viscum cruciatum* (Red-berried Mistletoe).

From here we continued on, passing a larger colony of *Narcissus bugei*, before stopping at the car park at Los Quejigales. After parking, we set off up the path towards the region's second relic population of *Abies pinsapo* (Spanish Fir), passing *Ranunculus ficaria subsp. ficariiformis* (Lesser Celandine) and *Lonicera arborea* (Tree Honeysuckle). Passing through more mixed Pine forest, on up the path. Great Tit, Coal Tit and Siskin were present, and Great Spotted Woodpecker was heard and well seen. As we continued the Pine began to thin out making way for shrubs such as *Ulex parviflorus* (Small-flowered Gorse), *Daphne gnidium* (Mediterranean Daphne) and *Daphne laureola* (Spurge Laurel). We also began to find young *Abies pinsapo*. It was not too long before we reached some of the more ancient and noble specimens. Growing below them we also found *Lavandula lanata* (Felted Lavender), a local endemic. We also recorded Large Tortoiseshell and Cleopatra butterflies.

After our picnic lunch, we made our way into the Moorish influenced town of Ronda for the afternoon. Walking along the cliff edge walk we saw Blue Rock Thrush, Crag Martin and Red-billed Chough. *Lamarckia aurea* (Lamarck's Golden Grass), *Iris germanica* (Bearded Iris) and *Ailanthus altissima* (Tree of Heaven) were seen clinging to the cliff edge. After a little shopping, we made our way back to base for dinner.

Day 5

Sunday 16th March

Weather: Warm, dry and sunny with some high cloud.

Leaving Finca de Guzman, we took the road towards Campillos. Swallows, Crested Lark and Spotless Starlings were seen as we went. When we reached the small village of Teba, we turned east and stopped to explore a cutting and river gorge at Tajo del Milano. The roadside had a number of clumps of the white *Antirrhinum graniticum* (Snapdragon), *Erodium gruinum* (Long-beaked Stork's-bill) and *Urospermum picroides*. In the gorge we saw a fine pair of Bonelli's Eagles, a skittish group of Rock Doves and Blue Rock Thrush. Above our heads were a good number of Red-rumped Swallows and Crag Martins.

Moving on, we made our way towards Antequera, via Campillos. Passing through Antequera, we continued up to the summit of El Torcal, the highest point in the El Torcal de Antequera National Park, and parked by the visitor centre. We immediately took our picnic lunch among the spectacular limestone outcrops and boulders. *Sedum brevifolium* (Small-leaved Stonecrop) and *Fedia scorpioides* were both present, and several Black Redstarts were also in evidence.

After lunch we walked one of the circular tracks finding *Euphorbia characias subsp. characias* (Mediterranean Spurge) and the leaves of the beautiful *Linaria anticaria* (Toadflax), a local endemic. The group were also treated to some excellent views of Spanish Ibex sunning themselves on the more inaccessible rocks.

We made the return journey via Alora and Pizarra, where we stopped to check out the River Guadalhorce for birdlife. Black-winged Stilt, Little Ringed Plover, Common Sandpiper and Little Egret were all seen. Botanical interest was diverse also, finding *Stellaria neglecta* (a Chickweed), *Plantago arenaria* (Branched Plantain), *Trifolium angustifolium* (Narrow-leaved Clover) and *Nicotiana glauca* (Shrub Tobacco). It was now time to complete our journey back to the Finca for dinner.

Day 6

Monday 16th March

Weather: Warm, dry and sunny with a breeze.

After breakfast, we again left the hotel and drove down towards Ronda, before taking the Seville road, turning off towards Benaolan and Montejaque. Our objective was the famous Cueva de la Pileta. This cave is the only site where you can still see original wall paintings. Unfortunately, the road to the cave had heavily subsided and we were unable to reach the site. So Paul decided to continue with the days activities and moved on to the small town of Montejaque, making our way up to the 'Hidden Valley' in the Sierra de Montalata, where we parked. Linnets, Rock Bunting and a good number of Griffon Vulture were seen. As we set off for a walk into the valley, *Linaria tristis* (a Toadflax) and *Narcissus cuatrecasasii* (Rock Jonquil) were seen. It was a good morning for butterflies, with Western Dappled White, Spanish Festoon, Wall Brown and Provence Hairstreak. The birds included Chough, Greenfinch and Great Tit. Everywhere there were the emerging buds of *Paeonia coriacea* (Peony), but unfortunately, none were yet fully in flower. We also found good numbers of *Romulea gaditana* (a Sand Crocus).

Leaving the Hidden Valley, we set off north from the village of Montejaque, stopping by a failed hydro dam system, where we took our picnic. Here we saw Griffon Vultures, Red-billed Chough and Rock Bunting. We also saw several Spanish Ibex. Plants included *Ranunculus rupestris* (Rock Buttercup), *Linaria tristis* (a Toadflax), *Saxifraga granulata* (Meadow Saxifrage) and *Vinca difformis* (Periwinkle).

After lunch we made our way back to Grazalema in order to explore the cliffs and broad verges just outside the town. We began with *Hesperus laciniata* (Cut-leaved Dame's Violet), *Anagris foetida* (Bean Trefoil) and the endemic *Ornithogalum reverchonii* (a Star of Bethlehem). As we made our way towards the village, we added *Scrophularia sambucifolia* (Elder-leaved Figwort), *Narcissus papyraceus* (Paper White Daffodil), *Cerintho major* (Greater Honeywort) and *Ophrys bombyliflora* (Bumblebee Orchid). From here we drove into Grazalema for afternoon coffee before making our way back to base in time for dinner.

Day 7

Tuesday 17th March

Weather: Fine, warm and sunny with a strong wind.

Following a leisurely breakfast, we set off in the direction of Ronda, where we visited the local supermarket to buy provisions and also the petrol station, before joining the Seville road, again turning off towards Benaolan and Montejaque. Today, we parked at the railway station, in order to take a walk on a path above the river. We chose to walk south, in the direction of Jimera de Libar. This route took us through Oak scattered pastures and rocky hillsides. It was not long before Sue found our first *Ophrys lutea* (Yellow Bee Orchid) just opening in the sunshine. We also added *Reseda phyteuma* (Corn Mignonette), *Biscutella baetica* (a Buckler Mustard) and *Linaria amethystea* (a Toadflax). A Great Spotted Woodpecker was heard drumming and calling.

Returning by the same route we made our way back to the bus, and set off back to Grazalema, where the light was perfect for photos of this splendid 'white village'. We took our picnic in the car park below the Sierra del Pinar, before continuing on towards Zahara de la Sierra. We made a stop along the way to see *Astragalus lusitanicus* (a Milk-vetch). Our next stop was to explore the banks of the Embalse de Zahara-El Gastor, where we began to examine the ancient Olive groves. Thekla Lark and Greenfinch were both evident. The ground hugging *Ophrys speculum* (Mirror Orchid), *Aristolochia rotunda* (a Birthwort), *Arisarum vulgare* (Friar's Cowl), *Himantoglossum robertianum* (Giant Orchid) and *Ophrys bombyliflora* (Bumblebee Orchid) were all seen.

Our final stop of the day was in Zahara de la Sierra. Parking at the top of the town we walked back towards the centre, recording *Linaria platycalyx* (a Toadflax), *Centranthus coccineus* (Small Red Valerian) and *Rupicapra africana*, before stopping for refreshments. As we enjoyed our drinks, three Lesser Kestrels were circling overhead calling. As we left the village, we stopped to examine a cliff face with *Mucizozonia hispida*, *Pallenis spinosa* (Pallenis) and *Campanula mollis* (a Bellflower). It was now time to make our way back to Ronda in time to pack before dinner.

Day 8

Wednesday 18th March

Weather: Cloudy at first, becoming warm, dry and sunny.

After an early breakfast, we said our farewells to Peter and thanked him for a wonderful stay in this beautiful area. We arrived in Malaga in good time for our various flights back to the UK.

Species Lists

Plants

Scientific name	Common name	Location
PTERIDOPHYTES	FERNS and ALLIES	
Selaginellaceae	Lesser Clubmoss Family	
<i>Selaginella denticulata</i>	Mediterranean Clubmoss	Alhaurin de la Torre
Equisetaceae	Horsetail Family	
<i>Equisetum ramosissima</i>	Branched Horsetail	El Chorro
Adiantaceae	Maidenhair Ferns	
<i>Adiantum capillus-veneris</i>	Maidenhair Fern	El Chorro
<i>Cheilanthes pteridioides</i>	Resurrection Fern	Sierra de las Nieves
<i>Cheilanthes vellea</i>	-	El Chorro
Aspleniaceae	Spleenwort Family	
<i>Asplenium trichomanes</i>	Maidenhair Spleenwort	Sierra de las Nieves
<i>Ceterach officinarum</i>	Rusty-back	Common
Polypodiaceae	Polypody Family	
<i>Polypodium australe</i>	Southern Polypody	Ronda
Pinopsida (Gymnosperms)	Conifers & Allies	
Cupressaceae	Juniper Family	
<i>Cupressus macrocarpa</i>	Monterey Cypress	Probably Planted
<i>Cupressus sempervirens</i>	Italian Cypress	Probably Planted
<i>Juniperus oxycedrus ssp. oxycedrus</i>	Prickly Juniper	Sierra de las Nieves
<i>Juniperus phoenicea ssp. phoenicea</i>	Phoenician Juniper	Gargante Verde
Pinaceae	Pine Family	
<i>Abies pinsapo</i>	Spanish Fir	Sierra de las Nieves
<i>Cedrus deodar</i>	Deodar Cedar	Grazalama - Planted
<i>Pinus halepensis</i>	Aleppo Pine	Alhaurin de la Torre
<i>Pinus pinea</i>	Stone or Umbrella Pine	Near Ronda
<i>Pinus pinaster</i>	Maritime Pine	Sierra de las Nieves
MAGNOLIOPSIDA (ANGEOSPERMS)	FLOWERING PLANTS	
Acanthaceae	Bear's-breech Family	
<i>Acanthus mollis</i>	Bear's Breech	El Chorro
Anacardiaceae	Sumach Family	
<i>Pistacia lentiscus</i>	Mastic Tree	Gargante Verde
Apiaceae (Umbelliferae)	Carrot Family	
<i>Bupleurum fruticosum</i>	Shrubby Hare's-ear	Near El Burgo
<i>Ferula communis</i>	Giant Fennel	Gargante Verde
<i>Foeniculum vulgare</i>	Fennel	Gargante Verde

Scientific name	Common name	Location
<i>Eryngium campestre</i> (leaves only)	Land Sea Holly	Sierra del Pinar
<i>Scandix pecten-veneris</i>	Shepherd's Needle	Near El Chorro
<i>Smyrniolus olusatrum</i>	Alexanders	Ronda
<i>Thapsia garganica</i>	Thapsia	Alhaurin de la Torre
Apocynaceae	Periwinkle Family	
<i>Nerium oleander</i>	Oleander	Tajo de la Milano
<i>Vinca difformis</i>	Periwinkle	Common
Araliaceae	Ivy Family	
<i>Hedera helix</i>	Ivy	Sierra del Pinar
Aristolochiaceae	Birthwort Family	
<i>Aristolochia baetica</i>	A Birthwort	Alhaurin de la Torre
<i>Aristolochia paucinervis</i>	A Birthwort	Embalsa de Zahara
Asteraceae (Compositae)	Daisy Family	
<i>Andryala integrifolia</i>	Andryala	El Chorro
<i>Anthemis cotula</i>	Stinking Mayweed	Embalsa de Zahara
<i>Bellis annua</i>	Annual daisy	Embalsa de Zahara
<i>Bellis perennis</i>	Daisy	Embalsa de Zahara
<i>Bellis sylvestris</i>	Southern Daisy	Sierra del Pinar
<i>Calendula arvensis</i>	Wild Marigold	Sierra del Pinar
<i>Carduus pycnocephalus</i>	Plymouth Thistle	Roadsides
<i>Carlina corymbosa</i> (in fruit)	Flat-topped Carlina Thistle	Sierra del Pinar
<i>Centaurea calcitrapa</i>	Red Star Thistle	Gargante Verde
<i>Centaurea clementei</i> (leaves)	Clemente's Knapweed	Grazalema
<i>Centaurea pullata</i>	-	Gargante Verde
<i>Cynara cardunculus</i>	Cardoon	Gargante Verde
<i>Galactites tomentosa</i>	Galactites	Common
<i>Glebionis (Chrysanthemum) coronarium</i>	Crown Daisy	Pizarra
<i>Glebionis coronarium</i> var. <i>discolor</i>	Crown Daisy	Malaga
<i>Helichrysum stoechas</i>	Curry plant	Alhaurin de la Torre
<i>Hyoseris radiata</i>	Hyoseris	Cliffs, Grazalama
<i>Pallenis spinosa</i>	Pallenis	Zahara
<i>Phagnolon saxatile</i>	-	Zahara
<i>Ptilostemon hispanica</i>	Spanish Thistle	Sierra del Pinar
<i>Reichardia tingitana</i>	Reichardia	El Chorro
<i>Silybum marianum</i>	Milk Thistle	Common
<i>Senecio nevadensis</i>	a Ragwort	Cliffs, Grazalama
<i>Senecio</i> sp.	a Ragwort	El Chorro
<i>Senecio vulgare</i>	Groundsel	Sierra del Pinar
<i>Sonchus asper</i>	Prickly Sow-thistle	Finca la Guzmaná
<i>Sonchus oleraceus</i>	Smooth Sowthistle	Ronda
<i>Urospermum picroides</i>	Urospermum	Tajo de la Milano
Bignoniaceae	Bignonia Family	
<i>Catalpa bignonioides</i>	Indian Bean Tree	Planted
Boraginaceae	Forget-me-not Family	
<i>Anchusa azurea</i>	Large Blue Alkanet	Zahara

Scientific name	Common name	Location
<i>Cerintho major</i>	Greater Honeywort	Near Grazalama
<i>Cynoglossum cheirifolium</i>	a Hound's-tongue	North of Montejaque
<i>Cynoglossum clandestinum</i>	a Hound's-tongue	Embalsa de Zahara
<i>Cynoglossum creticum</i>	Blue Hound's-tongue	Alhaurin de la Torre
<i>Echium boissieri (in fruit)</i>	Boissier's Viper's Buglos	Grazalema
<i>Echium plantagineum</i>	Purple Viper's Bugloss	Pizarra
<i>Echium vulgare</i>	Viper's Bugloss	El Chorro
<i>Lithodora fruticosa</i>	Shrubby Gromwell	
<i>Lithodora prostrata subsp. lusitanica</i>	Prostrate Gromwell	El Chorro
<i>Neastostema apulum</i>	Yellow Gromwell	El Chorro
<i>Nonea vesicaria</i>	Nonea	Tajo de la Milano
Brassicaceae (Cruciferae)	Cabbage Family	
<i>Arabis verna</i>	Early Rock-cress	El Chorro
<i>Biscutella baetica</i>	a Buckler Mustard	Benaolan
<i>Biscutella didyma</i>	Small Buckler Mustard	Tajo del Molino
<i>Biscutella frutescens</i>	-	Near El Burgo
<i>Capsella bursa-pastoris</i>	Shepherd's Purse	Finca la Guzmaná
<i>Cardamine hirsuta</i>	Hairy Bitter-cress	Benaolan
<i>Clypeola jonthlaspi</i>	Clypeola	Common
<i>Draba hispanica (leaves)</i>	-	Sierra del Pinar
<i>Erophila verna subsp. praecox</i>	Whitlowgrass	Sierra del Pinar
<i>Eruca sativa</i>	Eruca	Common
<i>Hesperus laciniata</i>	Cut-leaved Dame's Violet	Cliffs, Grazalama
<i>Hirschfeldia incana</i>	Hoary Mustard	Pizarra
<i>Hornungia petræa</i>	Hutchinsia	Sierra del Pinar
<i>Iberis sempervirens</i>	Candytuft	El Chorro
<i>Jonopsidium prolongoi</i>	-	Sierra de las Nieves
<i>Lepidium draba</i>	Hoary Cress	Antequera
<i>Lobularia maritima</i>	Sweet Alison	Sierra del Pinar
<i>Moricandia moricandioides</i>	Purple Cabbage	Antequera
<i>Rorippa nasturtium-aquaticum</i>	Watercress	Pizarra
<i>Sinapis alba</i>	White mustard	El Chorro
<i>Sinapis arvensis</i>	Charlock	El Chorro
Cactaceae	Cactus Family	
<i>Opuntia ficus-indica</i>	Barbary Fig or Prickly Pear	Naturalised
Campanulaceae	Bellflower Family	
<i>Campanula mollis</i>	a Bellflower	Zahara
Caprifoliaceae	Honeysuckle Family	
<i>Lonicera arborea</i>	Bush Honeysuckle	Sierra de las Nieves
<i>Viburnum tinus</i>	Laurustinus	Near Grazalama
Caryophyllaceae	Pink Family	
<i>Arenaria algarbiensis</i>	a Sandwort	Embalsa de Zahara
<i>Cerastium brachypetalum</i>	Grey Mouse-ear	Sierra del Pinar
<i>Cerastium fontanum</i>	Field Mouse-ear	Embalsa de Zahara
<i>Cerastium glomeratum</i>	Sticky Mouse-ear	Embalsa de Zahara
<i>Dianthus sp.</i>	-	Ronda

Scientific name	Common name	Location
<i>Paronychia capitata</i>	Paronychia	Gargante Verde
<i>Silene colorata</i>	-	Finca la Guzmana
<i>Silene latifolia</i>	White Campion	Mirador del Guarda Forestal
<i>Spergularia purpurea</i>	Purple Spurrey	Pizarra
<i>Stellaria media</i>	Chickweed	Pizarra
<i>Stellaria neglecta</i>	Large Chickweed	Pizarra
Cistaceae	Rock-rose Family	
<i>Cistus albidus</i>	Grey-leaved Cistus	Alhaurin de la Torre
<i>Cistus ladanifer</i>	Gum Cistus	Near Grazalema
<i>Cistus monspeliensis</i>	Narrow-leaved Cistus	Alhaurin de la Torre
<i>Cistus salvifolius</i>	Sage-leaved Cistus	Alhaurin de la Torre
<i>Helianthium nummularium</i>	Common Rockrose	Near El Burgo
<i>Helianthemum origanifolium</i>	Marjoram-leaved Rock-rose	Sierra del Pinar
<i>Tuberaria guttata</i>	Spotted Rockrose	El Chorro
Convolvulaceae	Bindweed Family	
<i>Convolvulus althaeoides</i>	Mallow-leaved Bindweed	El Chorro
Crassulaceae	Stonecrop Family	
<i>Mucizonia hispida</i>	Mucizonia	Zahara
<i>Sedum brevifolium</i>	Short-leaved Stonecrop	El Torcal
<i>Sedum dasyphyllum</i>	Fat-leaved Stonecrop	Grazalema
<i>Sedum sediforme</i>	Large Stonecrop	Common on Rocks
<i>Sedum tenuifolium</i>		Sierra del Pinar
<i>Umbilicus rupestris</i>	Navelwort	El Chorro
Cucurbitaceae	White Bryony Family	
<i>Bryonia cretica</i>	White Bryony	El Chorro
<i>Ecballium elaterium</i>	Squirting Cucumber	Near Zahara
Euphorbiaceae	Spurge Family	
<i>Euphorbia characias</i> ssp. <i>characias</i>	Large Mediterranean Spurge	El Torcal
<i>Euphorbia exigua</i>	Dwarf Spurge	El Chorro
<i>Euphorbia helioscopia</i>	Sun Spurge	Finca la Guzmana
<i>Euphorbia peplus</i>	Petty Spurge	Finca la Guzmana
<i>Euphorbia segetalis</i>	-	Roadsides, Ronda
<i>Mercurialis annua</i>	Annual Mercury	Finca la Guzmana
<i>Ricinus communis</i>	Castor Oil Plant	Roadsides
Fabaceae (Leguminosae)	Pea Family	
<i>Anagyris foetida</i>	Bean Trefoil	Cliffs at Grazalama
<i>Anthyllis cytisoides</i>	Shrub Kidney-vetch	El Chorro
<i>Anthyllis tetraphylla</i>	Bladder Vetch	Tajo del Molino
<i>Anthyllis vulneraria</i> ssp. <i>maura</i>	Mediterranean Kidney-vetch	Sierra de las Nieves
<i>Anthyllis vulneraria</i> subsp. <i>reuteri</i>	A Kidney-vetch	Gargante Verde
<i>Astragalus incanus</i>	-	Embalsa de Zahara
<i>Astragalus lusitanicus</i>	-	Near Zahara
<i>Ceratonia siliqua</i>	Carob	Gargante Verde
<i>Cercis siliquastrum</i>	Judas Tree	Planted in Grazalema
<i>Coronilla valentina</i>	Shrubby Scorpion-vetch	Alhaurin de la Torre

Scientific name	Common name	Location
<i>Cytisus arboreus</i> subsp. <i>baeticus</i>	a Broom	Near Finca la Guzmaná
<i>Cytisus villosus</i>	Villose Broom	Benaoján
<i>Genista umbellata</i>	-	El Chorro
<i>Lathyrus clymenum</i>	-	Verge near El Chorro
<i>Lathyrus latifolius</i>	Broad-leaved Everlasting Pea	Cliff near Grazalema
<i>Lathyrus sphaericus</i>	-	Alhaurin de la Torre
<i>Lygos (Retema) monosperma</i>	White broom	Sierra del Pinar
<i>Lygos sphaerocephala</i> (leaves)	Lygos	Common on roadsides
<i>Medicago arabica</i>	Spotted medick	Pizarra
<i>Medicago lupulina</i>	Black medick	Finca la Guzmaná
<i>Melilotus indicus</i>	Small Melilot	Pizarra
<i>Ononis viscosus</i>	Sticky Yellow Restharrow	Alhaurin de la Torre
<i>Psoralea bituminosa</i>	Pitch trefoil	El Chorro
<i>Scorpiurus vermiculatus</i>	Scorpion Vetch	Pizarra
<i>Spartium junceum</i>	Spanish Broom	Common on Roadsides
<i>Tetragonolobus purpureus</i>	Asparagus Pea	Roadside, Grazaláma
<i>Trifolium angustifolium</i>	Narrow-leaved clover	Pizarra
<i>Trifolium stellatum</i>	Starry Clover	Pizarra
<i>Trifolium tomentosum</i>	Woolly Clover	Pizarra
<i>Ulex parviflorus</i>	Small-flowered Gorse	Common
<i>Vicia faba</i>	Broad Bean	Roadside, Grazaláma
<i>Vicia sativa</i> subsp. <i>sativa</i>	a Fodder vetch	Alhaurin de la Torre
Fagaceae	Oak & Beech Family	
<i>Quercus coccifera</i>	Kermes Oak	El Chorro
<i>Quercus faginea</i>	-	Near Grazalema
<i>Quercus suber</i>	Cork Oak	Near Grazalema
<i>Quercus ilex</i>	Home oak	Alhaurin de la Torre
Fumariaceae	Fumitory Family	
<i>Fumaria bastardii</i>	-	Near Grazalema
<i>Fumaria capreolata</i>	White Ramping Fumitory	Montejaque
<i>Fumaria muralis</i>	-	Finca la Guzmaná
<i>Fumaria officinalis</i>	Common Fumitory	El Chorro
<i>Rupicapnos africana</i>	-	El Chorro
Geraniaceae	Geranium Family	
<i>Erodium cicutarium</i>	Common Stork's-bill	Near El Burgo
<i>Erodium gruinum</i>	Long-beaked Stork's-bill	Tajo del Molino
<i>Erodium malacoides</i>	Mallow-leaved Stork's-bill	El Chorro
<i>Erodium moschatum</i>	Musk Stork's-bill	Finca la Guzmaná
<i>Erodium tordylioides</i> ●	A Stork's-bill	Zahara
<i>Geranium dissectum</i>	Cut-leaved Crane's-bill	Roadside, Grazaláma
<i>Geranium molle</i>	Dove's-foot Crane's-bill	Roadside, Grazaláma
<i>Geranium purpureum</i>	Little Robin	El Chorro
<i>Geranium robertianum</i>	Herb Robert	Alhaurin de la Torre
<i>Geranium lucidum</i>	Shiny Crane's-bill	Grazalema
Lamiaceae (Labiatae)	Dead-nettle Family	
<i>Ajuga chamaepitys</i>	Ground Pine	El Chorro
<i>Ballota pseudodictamus</i>	Garden Horehound	Roadside, Grazaláma

Scientific name	Common name	Location
<i>Lamium amplexicaule</i>	Henbit Deadnettle	Finca la Guzmana
<i>Lavandula lanata</i>	Woolly Lavender	Sierra de las Nieves
<i>Lavandula multifida</i>	Cut-leaved Lavender	Alhaurin de la Torre
<i>Lavandula stoechas ssp. stoechas</i>	French Lavender	Near El Chorro
<i>Marrubium vulgare</i>	White Horehound	Sierra del Pinar
<i>Phlomis purpurea</i>	Purple Phlomis	Alhaurin de la Torre
<i>Rosmarinus officinalis</i>	Rosemary	El Chorro
<i>Salvia verbenaca</i>	Wild Clary	Gargante Verde
<i>Stachys arvensis</i>	Field Woundwort	Finca la Guzmana
<i>Teucrium fruticans</i>	Tree Germander	Alhaurin de la Torre
<i>Teucrium polium</i>	a Germander	Sierra del Pinar
<i>Thymus capitatus</i>	Capitate Thyme	Alhaurin de la Torre
Lauraceae	Laurel Family	
<i>Laurus nobilis</i>	Bay	Benaolan - Planted
Malvaceae	Mallow Family	
<i>Malva parviflora</i>	Small-flowered Mallow	Grazalama
<i>Malva sylvestris</i>	Common Mallow	Finca la Guzmana
Moraceae	Fig Family	
<i>Ficus carica</i>	Fig	Roadsides
Myrtaceae	Myrtle & Gum Family	
<i>Eucalyptus camaldulensis</i>	River Red Gum	Planted
<i>Eucalyptus globosus</i>	Tasmanian Blue Gum	Planted
<i>Eucalyptus robusta</i>	Iron Bark	Planted
<i>Myrtis communis</i>	Myrtle	El Chorro
Oleaceae	Olive Family	
<i>Fraxinus angustifolia</i>	Narrow-leaved Ash	Sierra de las Nieves
<i>Olea europaea</i>	Olive	Common
Orobanchaceae	Broomrape Family	
<i>Orobanche ramosa</i>	Branched Broomrape	El Chorro
Oxalidaceae	Wood-sorrel Family	
<i>Oxalis pes-caprae</i>	Bermuda Buttercup	Very Common
Papaveraceae	Poppy Family	
<i>Papaver rhoeas</i>	Common Poppy	Tajo del Molino
Paeoniaceae		
<i>Paeonia broteroi</i>	a Peony	El Torcal
<i>Paeonia coriacea</i>	a Peony	Hidden Valley
Plantaginaceae	Plantain Family	
<i>Plantago arenaria</i>	Branched Plantain	Pizarra
<i>Plantago coronopus</i>	Buck's-horn Plantain	Embalsa de Zahara
<i>Plantago lagopus</i>	Hare's-tail Plantain	Pizarra
<i>Plantago lanceolata</i>	Ribwort Plantain	Finca la Guzmana

Scientific name	Common name	Location
Polygalaceae	Milkwort Family	
<i>Polygala rupestris</i>	Rock Milkwort	El Chorro
Polygonaceae	Dock Family	
<i>Emex Spinosa</i>	Emex	Pizarra
<i>Rumex bucephaliflorus</i>	Horned Dock	Pizarra
<i>Rumex pulchre</i>	Fiddle Dock	El Chorro
<i>Rumex scutatus</i>	French Sorrel	Tajo del Molino
Primulaceae	Primrose Family	
<i>Anagallis arvensis (Red & Blue)</i>	Scarlet Pimpernel	Finca la Guzmaná
Ranunculaceae	Buttercup Family	
<i>Anemone palmata</i>	Yellow Anemone	Alhaurin de la Torre
<i>Clematis cirrhosa</i>	Virgin's Bower	Near El Burgo
<i>Helleborus foetidus</i>	Stinking Hellebore	Sierra de las Nieves
<i>Ranunculus ficaria subsp ficariiformis</i>	Lesser Celandine	Sierra de las Nieves
<i>Ranunculus rupestris</i>	Rock Buttercup	El Chorro
Resedaceae	Mignonette Family	
<i>Reseda alba</i>	White Mignonette	El Chorro
<i>Reseda lutea</i>	Mignonette	Tajo del Molino
<i>Reseda luteola</i>	Weld	Near Grazalema
<i>Reseda phyteuma</i>	Corn Mignonette	Benaójan
<i>Reseda suffruticosa</i>	a Mignonette	El Chorro
Rosaceae	Rose Family	
<i>Crataegus monogyna</i>	Hawthorn	Sierra de las Nieves
<i>Prunus dulcis</i>	Almond	Near Zahara
<i>Prunus prostratus</i>	Prostrate Plum	Above Grazalema
<i>Prunus spinosa</i>	Blackthorn	Near El Burgo
<i>Rosa spp.</i>	-	Sierra de las Nieves
<i>Rubus fruticosus agg.</i>	Bramble	Alhaurin de la Torre
<i>Sanguisorba sp.</i>	a Burnet	El Chorro
Rubiaceae	Bedstraw Family	
<i>Galium aparine</i>	Clevers	Common
<i>Putoria calabrica (leaves)</i>	Putoria	Sierra del Pinar
<i>Rubia peregrina</i>	Wild Madder	Hidden Valley
<i>Sherardia arvensis</i>	Field Madder	Common
Rutaceae	Rue Family	
<i>Citrus limon</i>	Lemon	Planted
<i>Citrus sinensis</i>	Orange	Planted
<i>Citrus aurantium</i>	Bitter Orange	Planted
<i>Ruta chalepensis</i>	Fringed Rue	Montejaque
Saxifragaceae	Saxifrage Family	
<i>Saxifraga granulata</i>	Meadow Saxifrage	Grazalema
<i>Saxifraga globulifera (leaves)</i>	-	Hidden Valley

Scientific name	Common name	Location
<i>Saxifraga tridactylites</i>	Rue-leaved Saxifrage	Mirador del Guarda Forestal
Salicaceae	Willow & Poplar Family	
<i>Populus alba</i>	White Poplar	Teba
<i>Populus x canescens</i>	Hybrid Grey Poplar	Benaolan
<i>Salix atrocinerea</i>	Grey Poplar	Benaolan
Santalaceae	Sandalwood Family	
<i>Osyris alba</i>	Osyris	
Scrophulariaceae	Figwort Family	
<i>Antirrhinum barrelieri</i>	a Snapdragon	El Chorro
<i>Antirrhinum majus</i>	Snapdragon	Ronda
<i>Antirrhinum graniticum</i>	a Snapdragon	Tajo del Molino
<i>Chaenorhinum villosum</i>	-	El Chorro
<i>Cymbalaria muralis</i>	Ivy-leaved Toadflax	Ronda
<i>Linaria amethystea</i> (Yellow)	a Toadflax	Benaolan
<i>Linaria anticaria</i>	a Toadflax	El Torcal
<i>Linaria orbensis</i>	a Toadflax	El Chorro
<i>Linaria platycalyx</i>	a Toadflax	Near Montejaque
<i>Linaria tristis</i>	a Toadflax	Hidden Valley
<i>Linaria sp</i> (purple)	a Toadflax	El Chorro
<i>Misopates orontium</i>	Weasel Snout	El Chorro
<i>Parentucellia latifolia</i>	-	Gargante Verde
<i>Scrophularia canina</i>	Dog Figwort	Near Zahara
<i>Scrophularia sambucifolia</i>	Elder-leaved Figwort	Montejaque
<i>Veronica arvensis</i>	Wall Speedwell	Grazalama
<i>Veronica cymbalaria</i>	White Speedwell	Sierra del Pinar
<i>Veronica plantago-aquatica</i>	Blue Water Speedwell	Pizarra
Simaroubaceae	Tree of Heaven Family	
<i>Ailanthus altissima</i>	Tree of Heaven	Ronda
Solanaceae	Nightshade Family	
<i>Nicotiana glauca</i>	Shrub Tobacco	Pizarra
Tamaricaceae	Tamarisk Family	
<i>Tamarix africana</i>	Tamarisk	Pizarra
Thymelaeaceae	Daphne Family	
<i>Daphne gnidium</i>	Mediterranean Mezereon	Sierra de las Nieves
<i>Daphne laureola</i>	Spurge Laurel	Sierra de las Nieves
Ulmaceae	Elm Family	
<i>Ulmus minor</i> agg	Small-leaved Elm	Ronda
Urticaceae	Nettle Family	
<i>Parietaria judaica</i>	Pellitory-on-the-wall	Ronda
<i>Parietaria officinalis</i>	Large Pellitory-of-the-wall	El Chorro
<i>Urtica membranacea</i>	Membranous Nettle	El Chorro
<i>Urtica urens</i>	Small Nettle	Finca la Guzmaná

Scientific name	Common name	Location
Valerianaceae	Valerian Family	
<i>Centranthus calcitrapa</i>	Annual Valerian	Ronda
<i>Fedia cornucopiae</i>	Fedia	El Chorro
<i>Fedia scorpioides</i>	A Fedia	El Torcal
<i>Valerianella locusta</i>	Common Cornsalad	Sierra de las Nieves
Violaceae	Violet Family	
<i>Viola demetria</i>	-	Sierra del Pinar
Viscaceae	Mistletoe Family	
<i>Viscum album</i>	Mistletoe	Near Zahara
<i>Viscum cruciatum</i>	Red-berried Mistletoe	Sierra de las Nieves
LILIIDAE (MONOCOTYLEDONS)		
Agavaceae	Century Plant Family	
<i>Agave americana</i>	Century Plant	Benaolan
<i>Yucca gloriosa</i>	Yucca	Planted
Araceae	Arum Family	
<i>Arisarum vulgare</i>	Friar's Cowl	Near Zahara
<i>Arum italicum subsp. neglectum</i>	Italian Arum	El Torcal
Arecaceae (Palmae)	Palm Family	
<i>Chamærops humilis</i>	Dwarf Fan Palm	Alhaurin de la Torre
<i>Phoenix dactylifera</i>	Date Palm	Planted
<i>Phoenix canariensis</i>	Canary Palm	Benaolan
Cyperaceae	Sedge Family	
<i>Carex caryophyllea</i>	Spring Sedge	Sierra del Pinar
<i>Carex divulsa</i>	Grey Sedge	El Chorro
<i>Schoenus nigricans</i>	Black Bog-rush	Sierra del Pinar
Dioscoreaceae	Black Bryony Family	
<i>Tamus communis</i>	Black Bryony	El Chorro
Iridaceae	Iris Family	
<i>Moraea (Gynandriris) sisyrinchium</i>	Barbary Nut	Near Alhaurin de la Torre
<i>Iris albicans</i>	A White Iris	Ronda
<i>Iris foetidissima</i>	Stinking Iris	El Torcal
<i>Iris germanica</i>	German or Bearded Iris	Ronda
<i>Iris planifolia</i>	Broad-leaved Iris	North of Ronda
<i>Romulea bulbocodium</i>	a Sand Crocus	Sierra de las Nieves
<i>Romulea gaditana</i>	a Sand Crocus	Hidden Valley
Juncaceae	Rush Family	
<i>Scirpoides holoschoenus</i>	Round-headed Clubrush	Pizarra
Liliaceae	Lily Family	
<i>Allium ampeloprasum</i>	Wild Leek	Finca la Guzmaná

Scientific name	Common name	Location
<i>Allium roseum</i>	Rosey garlic	El Chorro
<i>Allium triquetrum</i>	Three-cornered Leek	Grazalama
<i>Asparagus acutifolius</i>	Sharp-leaved Asparagus	Alhaurin de la Torre
<i>Asparagus albus</i>	White-Stemmed Asparagus	Tajo del Molino
<i>Asphodelus albus</i>	White Asphodel	Near El Burgo
<i>Asphodelus aestivus</i>	Common Asphodel	Near Zahara
<i>Asphodelus fistulosus</i>	Small Asphodel	Tajo del Molino
<i>Dipcadi serotinum</i>	Brown Bluebell	El Chorro
<i>Fritillaria lusitanica</i>	Portuguese Fritillary	El Chorro
<i>Gagea foliosa agg</i>	Yellow Star of Bethlehem	Near Grazalema
<i>Hyacinthoides hispanica</i>	Spanish Bluebell	Mirador del Guarda Forestal
<i>Muscari comosum</i>	Tassel Hyacinth	El Chorro
<i>Muscari neglectum</i>	Grape Hyacinth	Finca la Guzmaná
<i>Narcissus assoanus</i> (= <i>requienii</i>)	Rush-leaved Jonquil	Sierra de las Nieves
<i>Narcissus bugei</i> (= <i>longispathus bugei</i>)	A Daffodil	Sierra de las Nieves
<i>Narcissus cantabricus</i>	White Hooped-petticoat Daffodil	El Chorro
<i>Narcissus cuatrecasasii</i> (= <i>rupicola</i>)	Rock Jonquil	Hidden Valley
<i>Narcissus papyraceus</i>	Paper White Daffodil	Grazalema
<i>Ornithogalum reverchonii</i>	Star of Bethlehem	Near Montejaque
<i>O. orthophyllum</i> subsp. <i>baeticum</i>	Star of Bethlehem	Mirador del Guarda Forestal
<i>Ruscus aculeatus</i>	Butcher's Broom	El Torcal
<i>Smilax aspera</i>	Common Smilax	Sierra de las Nieves
<i>Urginea maritima</i> (Leaves)	Sea Squill	Common
Orchidaceae	Orchid Family	
<i>Himantoglossum</i> (<i>Barlia</i>) <i>robertianum</i>	Giant Orchid	Near Zahara
<i>Ophrys bombyliflora</i>	Bumble Bee Orchid	Grazalema
<i>Ophrys speculum</i>	Mirror Orchid	Near Alhaurin de la Torre
<i>Ophrys fusca</i>	Sombre Bee Orchid	Sierra del Pinar
<i>Ophrys lutea</i>	Yellow Bee Orchid	Benaolan
<i>Ophrys tenthredinifera</i>	Sawfly Orchid	Alhaurin de la Torre
<i>Orchis</i> (<i>Aceras</i>) <i>anthropophora</i>	Man Orchid	El Chorro
<i>Orchis collina</i>	Fan-lipped orchid	El Chorro
<i>Orchis conica</i>	-	Alhaurin de la Torre
<i>Orchis italica</i>	Naked Man Orchid	El Chorro
<i>Orchis olbiensis</i>	Early Purple Orchid	Common in mountains
Poaceae (Gramineae)	Grass Family	
<i>Anisantha diandra</i>	Great Brome	El Chorro
<i>Arundo donax</i>	Giant Reed	Common
<i>Avena barbata</i>	Bristle Oat	El Chorro
<i>Avena sterilis</i>	Winter Wild Oat	Finca la Guzmaná
<i>Briza maxima</i>	Large Quaking-grass	Grazalama
<i>Bromus rubens</i>	Red Brome	El Chorro
<i>Dactylis glomerata</i>	Cock's-foot	Ronda
<i>Lagurus ovatus</i>	Hare'w-tail Grass	El Chorro
<i>Lamarckia aurea</i>	Lamarck's Golden Grass	Ronda
<i>Phragmites australis</i>	Common Reed	Alora
<i>Poa annua</i>	Annual Meadow Grass	Finca la Guzmaná
<i>Stipa tenacissima</i>	a Feather-grass	El Chorro

Scientific name	Common name	Location
Typhaceae	Reedmace Family	
<i>Typha latifolia</i>	Bulrush	Pizarra

Birds (H = Heard only)

	Common name	Scientific name	March							
			11	12	13	14	15	16	17	18
1	Little Egret	<i>Egretta garzetta</i>					•			•
2	Mallard	<i>Anas platyrhynchos</i>					•
