### Arrival at North Goa

After arrival at Dabolim airport, the clients were picked up around 5.40pm and transferred to their hotel, Mandrem Beach Resort, in North Goa, where they would be staying for three nights.

On arrival at the hotel around 7.15pm, the clients checked in and, after a brief talk with them, it was decided that we would be starting from the hotel at 5.45am and returning by 10.30am for a late breakfast for the next couple of days.

When it started warming up, we left for Siolim marshes, which was en route to the hotel, and spent half an hour birding there, arriving back for breakfast around 10.15am.

For afternoon birding, we visited Parcem and Morjim beach. We had quite a few species at both these sites, including a flock of around thirty Blue-cheeked Bee-eaters, which are a rarity in Goa. We returned to the hotel by 6.30pm.
