

# Panama – Mammals of the Canopy Tower

Naturetrek Tour Report

4th – 15th July 2023

Geoffroy's Tamarin

Nine-banded Armadillo

White-nosed Coati

Mantled Howler Monkey

Tour report kindly compiled by client Rowan Hillson, photos by Martin Koganovitch

Tour participants: Alexis Sanchez (Leader), Eric (Assistant Guide) with 10 Naturetrek clients

## Summary

We had an enjoyable and productive trip, with excellent guides.

The focus was on mammals including daily sloth sightings; seeing a Water Opossum was a special highlight. We saw many birds including the rarely seen Least Bittern, and the beautiful Blue Cotinga. There were lots of reptiles, and butterflies, and, of course, the Panama Canal. The group spent eight nights at the Canopy Tower, and two at the Canopy Lodge.

Each morning at Canopy Tower after the Howler Monkey wake-up calls, those who wished, rose just after dawn to bird watch with coffee on the observation deck. Then a good breakfast followed by a morning walk or other activity, then lunch back at the Tower and a siesta. We had further expeditions in the afternoon, then dinner. On some nights we had night walks or drives.

Canopy Tower is in the rainforest, and Canopy Lodge is in the cloud forest so, unsurprisingly, it rained most days, mainly in the afternoon, often with dramatic thunderstorms, and then sunshine. It was hot and humid at Canopy Tower, less so at Canopy Lodge. We still completed all our planned activities in these beautiful surroundings each day.

## Day 1

**Tuesday 4th July**

KLM cancelled the planned flight from Amsterdam so some of the group arrived at the Canopy Tower today and enjoyed the views from observation deck, especially a Blue Cotinga. Later they saw an Olingo.

## Day 2

**Wednesday 5th July**

The Canopy Tower is surrounded by rainforest but as well as assorted birds, those on the observation deck could see a distant section of the Panama Canal and some ships going through. The remaining four arrived via Paris, just in time for the evening meal. There were Little Mastiff Bats flying around the dining area.

## Day 3

**Thursday 6th July**

The Howler Monkeys were close, calling to each other across the forest. We spent a while by the humming bird feeders which were much in demand. Visitors included a White-necked Jacobin, a White-vented Plumeleteer, Blue-chested, and Violet-bellied Hummingbirds. Waiting above, disguised as a branch, was a small Boa Constrictor. In the morning we walked down Semaphore Hill through the rainforest, seeing an Central American Agouti on the track and sloths in the trees. After small scramble up the bank, we found a tank with orange-bellied Sylvia's Tree Frogs swimming around.

There was a big thunderstorm over lunch; undaunted, we set out for the Ammo Ponds, Gamboa, in "El Tinamou", the Tower's big open-topped safari vehicle. It was a bit wet. We stopped by the Canal and watched a container ship with its tug guiding it from the stern. We had been encouraged out by the promise of Least Capybara but

none were visible. However, there were White-nosed Coati on the ground and good bird sightings including Grey-headed Chachalaca and a Rufescent Tiger Heron. Around the corner we found a Least Bittern hiding in the reeds. This bird is rarely seen. Later, back in the Canopy Tower we watched the local Geoffroy's (Red-crested) Tamarins – our daily neighbours during our stay.

## Day 4

## Friday 7th July

In the morning we drove to the Pipeline Road, meeting a Great Tinamou with young en route. We saw several sloths, including a good view of a male Brown-throated Sloth with a clearly marked patch on its back. There were more White-nosed Coati. Against a tree trunk, almost invisible, there was a Great Potoo. Overhead, as on every day, we could see vultures – Black and Turkey.

At lunchtime there was a particularly dramatic thunderstorm which shook the building. After lunch, ever optimistic, we drove to the Botanical Gardens. As usual, the rain eventually stopped and the sun came out. There were lots of Agoutis, and we saw a Tent-making Bat in a hollow tree. We also saw a Common Nighthawk. We visited the Harpy Eagle, reared in captivity in her aviary. She was very interested in Chris's rucksack. Afterwards we went to the Summit Ponds where there were Pond Sliders, an Anhinga and a Neotropic Cormorant. We saw three different trogons during the day. That night we saw a Woolly Opossum.

## Day 5

## Saturday 8th July

We travelled to the San Lorenzo National Park on the Caribbean side of Panama. We walked along a track in the morning where, among other species, we saw a Yellow-throated Toucan, a White-whiskered Puffbird, a Dot-winged Antwren and a Black-crowned Antshrike. And we found the wonderfully named Checker-throated Stipplethroat. We drove across the bridge crossing the Panama Canal and had a picnic lunch by the old Spanish Fortress of San Lorenzo. Most of the group visited the fort afterwards. Earlier we'd watched a long goods train with two big red locomotives on the Panama Canal Railway but, sadly, since the pandemic, the railway no longer carries passengers.

## Day 6

## Sunday 9th July

In the leafy Metropolitan Park in Panama City, Alex found a family of three Night Monkeys peering at us with huge eyes from a hollow tree. Passing children were fascinated to see them through the telescope. We drove to Culebra Point to see the Pacific and Crab-eating Racoons. There were lots of sloths, including two very close. The Frog museum gave a good opportunity for close views of living local frogs (if we could find them amidst the foliage). There were open aquaria, and a cool (both air-conditioned and informative) natural history museum with a very keen guide.

Our visit to the Sloth Rescue centre also included a frog exhibit with Green and Black, and Strawberry Poison Dart Frogs, a butterfly centre with Blue Morphos and more. One of the staff gave a detailed talk about the work of the Sloth Rescue centre, and there were several residents to see, including a little sloth curled up asleep in a small wicker basket. We hit the shop enthusiastically!

Our night walk down Semaphore Hill included a Brown Vine Snake, Tree Boa, and Oriole Snake, as well as a Vesper Rat high in a tree, and a scurrying Nine-banded Armadillo.

## Day 7

**Monday 10th July**

We boarded a boat on the Chagres River then travelled under the Gamboa Bridge onto the Panama Canal, watching huge ships pass along.

The boat took us past a Magnificent Frigatebird to Monkey Island with Geoffrey's Tamarins, a Panamanian White-faced Capuchin, and a line of Proboscis Bats up a tree trunk. Herons included a Rufescent Tiger Heron, a Green Heron, and a Great Blue Heron. It was a very pleasant boat ride. On the way home we had good views of a Nine-banded Armadillo.

In the afternoon we travelled to the Panama Rainforest Discovery Centre and climbed the 30 metre-high observation tower – a solidly built staircase to a 360 degree platform and wonderful rainforest views. We found the Keel-billed Toucans' social tree and watched them fly to and fro; later there were views of a Blue Cotinga, while down below a sloth slumbered. We had dinner al fresco.

That evening we had a night-drive bouncing on El Tinamou along the tracks and road all the way back to the Canopy Tower. The driver did an emergency stop to avoid squashing a snake and we all slid off our seats on top of each other. Once people had disentangled themselves the reptile was inspected – a Cat's Eye Snake – which showed no gratitude for being saved.

## Day 8

**Tuesday 11th July**

That morning we travelled to various places in the Gamboa region. Returning for the third time to the Ammo Ponds, Alex discovered a large Boa Constrictor at the base of a tree in the hedge – its head was as big as his hand with arm-thickness coils. Perhaps that is why we couldn't find any Lesser Capybara there (although we didn't see them anywhere else either).

In the afternoon we visited the Milleflores lock and watched a huge ship passing through the lock, guided by six "mules", three on each side of the canal – the double-engined locomotives that use steel hawsers to guide the ship (moving slowly under its own power) and prevent it touching the side of the lock (the gap was about one foot). This awesome sight was followed by an excellent iMax film about the canal.

## Day 9

**Wednesday 12th July**

We had a last look around the Canopy Tower observation deck and were rewarded by a close Blue Cotinga. After a forest walk, we set off for Canopy Lodge in the cloud forest of El Valle de Anton. We walked over the little river bridge in the grounds to enjoy lunch in the covered, open-sided dining and sitting area which overlooks the well-stocked bird feeder. We found our rooms. Some of us had a Clay-coloured Thrush's nest outside our windows, with two chicks. Then we walked up the road to walk the trail to Chorro El Macho – a local waterfall. No one was keen to try the zip wire over the falls.

After the usual rain storm, the river through the Lodge grounds turned into a roaring torrent. Walking by the river that evening we had a rare sighting of a Water Opossum swimming strongly upstream. Later we saw a Four-eyed Opossum in a tree. The rain had left the ground rather boggy, so frogs abounded, including a Glass Frog. We met a huge Cane Toad.

## Day 10

Thursday 13th July

We drove to Las Minas and had a pleasant walk. Then we walked the start of the Cerro Gaital Trail, meeting hardy souls aiming to do the whole arduous hike to the top. There were some beautiful flowers en route. After lunch, some people had a walk around the grounds.

That afternoon there was a particularly heavy thunderstorm. As Jean had not returned from her walk a search party set off with large umbrellas and found her in good shelter. Once the rain stopped, we drove to a private estate where Alex found two Spectacled Owls. That evening we packed.

## Day 11 & Day 12

Friday & Saturday 14th/15th July

We said our goodbyes and travelled home, leaving two lucky people behind to do a transit of the Canal.

Rufous Motmot, Rufescent Tiger-Heron, Wattled Jacana

## Birds (H = Heard only)

Common name	Scientific name	July 2023									
		4	5	6	7	8	9	10	11	12	13
Great Tinamou	<i>Tinamus major</i>				✓						
Black-bellied Whistling Duck	<i>Dendrocygna autumnalis</i>							✓			
Muscovy Duck	<i>Cairina moschata</i>							✓			
Grey-headed Chachalaca	<i>Ortalis cinereiceps</i>			✓					✓	✓	
Crested Guan	<i>Penelope purpurascens</i>						✓				
Common Nighthawk	<i>Chordeiles minor</i>				✓						
Great Potoo	<i>Nyctibius grandis</i>				✓						
Band-rumped Swift	<i>Chaetura spinicaudus</i>										
Short-tailed Swift	<i>Chaetura brachyura</i>				✓						
Lesser Swallow-tailed Swift	<i>Panyptila cayennensis</i>										
White-necked Jacobin	<i>Florisuga mellivora</i>			✓				✓			
Stripe-throated Hermit	<i>Phaethornis striigularis</i>							✓		✓	
Green Hermit	<i>Phaethornis guy</i>										✓
Long-billed Hermit	<i>Phaethornis longirostris</i>				✓		✓	✓			
Long-billed Starthroat	<i>Helimaster longirostris</i>										✓
Bronze-tailed Plumeleteer	<i>Chalybura urochrysa</i>										✓
White-vented Plumeleteer	<i>Chalybura buffonii</i>			✓							
Crowned Woodnymph	<i>Thalurania colombica</i>					✓		✓			✓
Snowy-bellied Hummingbird - N	<i>Saucerottia edward</i>										✓
Rufous-tailed Hummingbird	<i>Amazilia tzacatl</i>				✓			✓		✓	
Blue-chested Hummingbird	<i>Polyerata amabilis</i>			✓				✓			
Violet-bellied Hummingbird	<i>Chlorestes julie</i>			✓		✓		✓			
Greater Ani	<i>Crotophaga major</i>			✓	✓						
Smooth-billed Ani	<i>Crotophaga ani</i>			✓					✓		✓
Squirrel Cuckoo	<i>Piaya cayana</i>									✓	
Scaled Pigeon	<i>Patagioenas speciosa</i>							✓			
Pale-vented Pigeon	<i>Patagioenas cayennensis</i>			✓	✓			✓	✓		
Ruddy Quail-Dove	<i>Geotrygon montana</i>				✓						

Common name	Scientific name	July 2023									
		4	5	6	7	8	9	10	11	12	13
White-tipped Dove	<i>Leptotila verreauxi</i>				✓			✓		✓	✓
Grey-cowled Wood Rail	<i>Aramides cajaneus</i>							✓		✓	
Common Gallinule	<i>Gallinula galeata</i>						✓	✓			
Purple Gallinule	<i>Porphyrio martinica</i>			✓			✓	✓			
Limpkin	<i>Aramus guarauna</i>						✓				
Black-necked Stilt	<i>Himantopus mexicanus</i>							✓			
Southern Lapwing	<i>Vanellus chilensis</i>				✓			✓			
Wattled Jacana	<i>Jacana jacana</i>			✓			✓	✓	✓		
Magnificent Frigatebird	<i>Fregata magnificens</i>						✓	✓			
Anhinga	<i>Anhinga anhinga</i>				✓				✓		✓
Neotropic Cormorant	<i>Nannopterum brasilianum</i>				✓		✓		✓		
American White Ibis	<i>Eudocimus albus</i>						✓				
Rufescent Tiger Heron	<i>Tigrisoma lineatum</i>			✓			✓	✓			
Least Bittern	<i>Ixobrychus exilis</i>			✓							
Black-crowned Night Heron	<i>Nycticorax nycticorax</i>							✓			
Green Heron	<i>Butorides virescens</i>						✓	✓			
Western Cattle Egret	<i>Bubulcus ibis</i>					✓					
Great Blue Heron	<i>Ardea herodias</i>						✓	✓			
Cocoi Heron	<i>Ardea cocoi</i>							✓			
Great Egret	<i>Ardea alba</i>			✓					✓		
Tricoloured Heron	<i>Egretta tricolor</i>						✓	✓			
Little Blue Heron	<i>Egretta caerulea</i>							✓			
Brown Pelican	<i>Pelecanus occidentalis</i>				✓	✓	✓	✓			
King Vulture	<i>Sarcoramphus papa</i>			✓							
Black Vulture	<i>Coragyps atratus</i>			✓	✓	✓	✓	✓	✓	✓	✓
Turkey Vulture	<i>Cathartes aura</i>			✓	✓	✓	✓	✓	✓	✓	✓
Harpy Eagle	<i>Harpia harpyja</i>				Caged						
Grey-headed Kite	<i>Leptodon cayanensis</i>								✓		
Swallow-tailed Kite	<i>Elanoides forficatus</i>									✓	

Common name	Scientific name	July 2023									
		4	5	6	7	8	9	10	11	12	13
Double-toothed Kite	<i>Harpagus bidentatus</i>							✓			
Snail Kite	<i>Rostrhamus sociabilis</i>						✓	✓	✓		
Common Black Hawk	<i>Buteogallus anthracinus</i>										
Savanna Hawk	<i>Buteogallus meridionalis</i>					✓			✓		
Roadside Hawk	<i>Rupornis magnirostris</i>									✓	
Spectacled Owl	<i>Pulsatrix perspicillata</i>										✓
Mottled Owl	<i>Strix virgata</i>						✓				
Slaty-tailed Trogon	<i>Trogon massena</i>				✓				✓		
Black-tailed Trogon	<i>Trogon melanurus</i>			✓	✓						
White-tailed Trogon	<i>Trogon chionurus</i>							✓			
Gartered Trogon	<i>Trogon caligatus</i>				✓				✓		
Black-throated Trogon	<i>Trogon rufus</i>			✓		✓	✓				
Collared Trogon	<i>Trogon collaris</i>										
Amazon Kingfisher	<i>Chloroceryle amazona</i>										
American Pygmy Kingfisher	<i>Chloroceryle aenea</i>						✓				
Green Kingfisher	<i>Chloroceryle americana</i>				✓						
Ringed Kingfisher	<i>Megaceryle torquata</i>							✓			
Whooping Motmot	<i>Momotus subrufescens</i>				✓						
Rufous Motmot	<i>Baryphthengus martii</i>					H				✓	✓
Broad-billed Motmot	<i>Electron platyrhynchum</i>			✓						✓	
Black-breasted Puffbird	<i>Notharchus pectoralis</i>									✓	
Barred Puffbird	<i>Nystalus radiatus</i>										
White-whiskered Puffbird	<i>Malacoptila panamensis</i>					✓					
Collared Aracari	<i>Pteroglossus torquatus</i>							✓			
Keel-billed Toucan	<i>Ramphastos sulfuratus</i>			✓	✓		✓	✓	✓	✓	✓
Yellow-throated Toucan	<i>Ramphastos ambiguus</i>					✓					
Black-cheeked Woodpecker	<i>Melanerpes pucherani</i>			✓			✓	✓		✓	
Red-crowned Woodpecker	<i>Melanerpes rubricapillus</i>				✓			✓			H
Lineated Woodpecker	<i>Dryocopus lineatus</i>						✓				

Common name	Scientific name	July 2023									
		4	5	6	7	8	9	10	11	12	13
Crested Caracara	<i>Caracara plancus</i>										
Yellow-headed Caracara	<i>Milvago chimachima</i>			✓				✓	✓		
Orange-chinned Parakeet	<i>Brotogeris jugularis</i>				✓						
Brown-hooded Parrot	<i>Pyrilia haematotis</i>			✓						✓	
Blue-headed Parrot	<i>Pionus menstruus</i>							✓			✓
Red-lored Amazon	<i>Amazona autumnalis</i>			✓			✓	✓		✓	
Southern Mealy Amazon	<i>Amazona farinosa</i>			✓			✓	✓		✓	
Northern Barred Woodcreeper	<i>Dendrocolaptes sanctithomae</i>					✓					
Cocoa Woodcreeper	<i>Xiphorhynchus susurrans</i>			✓			✓				✓
Dot-winged Antwren	<i>Microrhopias quixensis</i>					✓					
Checker-throated Stipplethroat	<i>Epinecrophylla fulviventris</i>				✓						
Barred Antshrike	<i>Thamnophilus doliatus</i>								✓		
Black-crowned Antshrike	<i>Thamnophilus atrinucha</i>			✓		✓					
Brown-capped Tyrannulet	<i>Ornithion brunneicapillus</i>				✓						
Sepia-capped Flycatcher	<i>Leptopogon amaurocephalus</i>										✓
Southern Bentbill - N	<i>Oncostoma olivaceum</i>					✓					
Common Tody-Flycatcher	<i>Todirostrum cinereum</i>			✓			✓				
Piratic Flycatcher	<i>Legatus leucophaeus</i>										✓
Rusty-margined Flycatcher	<i>Myiozetetes cayanensis</i>								✓		
Social Flycatcher	<i>Myiozetetes similis</i>								✓		✓
Great Kiskadee	<i>Pitangus sulphuratus</i>				✓		✓	✓			✓
Lesser Kiskadee	<i>Philohydor lictor</i>								✓		
Streaked Flycatcher	<i>Myiodynastes maculatus</i>				✓			✓			
Boat-billed Flycatcher	<i>Megarynchus pitangua</i>				✓						
Tropical Kingbird	<i>Tyrannus melancholicus</i>			✓	✓	✓		✓	✓		✓
Dusky-capped Flycatcher	<i>Myiarchus tuberculifer</i>				✓						
Blue Cotinga	<i>Cotinga nattererii</i>		✓					✓		✓	
White-ruffed Manakin	<i>Corapipo altera</i>										
Red-capped Manakin	<i>Ceratopipra mentalis</i>					H					

Common name	Scientific name	July 2023									
		4	5	6	7	8	9	10	11	12	13
Golden-collared Manakin - N	<i>Manacus vitellinus</i>							H			✓
Masked Tityra	<i>Tityra semifasciata</i>			✓							
Blue-Capped Manakin	<i>Lepidothrix coronata</i>										
Golden-fronted Greenlet	<i>Pachysylvia aurantiifrons</i>										
Black-chested Jay	<i>Cyanocorax affinis</i>									✓	✓
Mangrove Swallow	<i>Tachycineta albilinea</i>			✓			✓	✓			
Southern Rough-winged Swallow	<i>Stelgidopteryx ruficollis</i>										✓
Grey-breasted Martin	<i>Progne chalybea</i>			✓				✓			
House Wren	<i>Troglodytes aedon</i>				✓					✓	✓
Bay Wren	<i>Cantorchilus nigricapillus</i>									H	
Tropical Mockingbird	<i>Mimus gilvus</i>				✓	✓			✓		
Clay-coloured Thrush	<i>Turdus grayi</i>				✓					✓	✓
White-vented Euphonia	<i>Euphonia minuta</i>										✓
Thick-billed Euphonia	<i>Euphonia laniirostris</i>						✓			✓	✓
Tawny-capped Euphonia	<i>Euphonia anae</i>										✓
Orange-billed Sparrow	<i>Arremon aurantirostris</i>						✓				✓
Chestnut-headed Oropendola	<i>Psarocolius wagleri</i>									✓	✓
Scarlet-rumped Cacique	<i>Cacicus microrhynchus</i>										
Yellow-backed Oriole	<i>Icterus chrysater</i>				✓						
Yellow-tailed Oriole	<i>Icterus mesomelas</i>			✓							
Shiny Cowbird	<i>Molothrus bonariensis</i>										✓
Great-tailed Grackle	<i>Quiscalus mexicanus</i>				✓	✓		✓	✓	✓	✓
Dusky-faced Tanager	<i>Mitrospingus cassinii</i>									✓	✓
Green Honeycreeper	<i>Chlorophanes spiza</i>									✓	✓
Blue Dacnis	<i>Dacnis cayana</i>						✓	✓			
Buff-throated Saltator	<i>Saltator maximus</i>										✓
Bananaquit	<i>Coereba flaveola</i>										✓
Yellow-faced Grassquit	<i>Tiaris olivaceus</i>										✓
Grey-headed Tanager	<i>Eucometis penicillata</i>										

Common name	Scientific name	July 2023									
		4	5	6	7	8	9	10	11	12	13
Tawny-crested Tanager	<i>Tachyphonus delatrii</i>										✓
White-lined Tanager	<i>Tachyphonus rufus</i>										✓
Lemon-rumped Tanager	<i>Ramphocelus icteronotus</i>						✓		✓		
Crimson-backed Tanager	<i>Ramphocelus dimidiatus</i>			✓			✓			✓	✓
Variable Seedeater	<i>Sporophila corvina</i>						✓				
Yellow-bellied Seedeater	<i>Sporophila nigricollis</i>						✓				✓
Blue-grey Tanager	<i>Thraupis episcopus</i>						✓			✓	✓
Palm Tanager	<i>Thraupis palmarum</i>			✓			✓	✓	✓	✓	✓
Silver-throated Tanager	<i>Tangara icterocephala</i>										✓
Plain-coloured Tanager	<i>Tangara inornata</i>										✓
House Sparrow - I	<i>Passer domesticus</i>								✓		

## Reptiles & Amphibians noted

Common name	Scientific name
Pond Slider - I	<i>Trachemys scripta</i>
Brown Basilisk	<i>Basiliscus vittatus</i>
Green Iguana	<i>Iguana iguana</i>
Middle American Ameiva	<i>Holcosus festivus</i>
Four-lined Ameiva	<i>Holcosus quadrilineatus</i>
Boa Constrictor	<i>Boa constrictor</i>
Brown Vinesnake	<i>Oxybelis aeneus</i>
Common Caiman	<i>Caiman crocodilus</i>
American Crocodile	<i>Crocodylus acutus</i>
Mesoamerican Cane Toad	<i>Rhinella horribilis</i>
Tungara Frog	<i>Engystomops pustulosus</i>
Leaf Toad	
Sylvia's Tree Frog	<i>Cruziohyla sylviae</i>
House Gecko	
Smoky Tree Frog	<i>Leptodactylus pentadactylus</i>

Common name	Scientific name
Slender Anole	<i>Anolis fuscoauratus</i>
Land Crab	
Gladiator Tree Frog	<i>Hypsiboas</i>
Orange & white Coral Snake	
Cat-eyed Snake	<i>Leptodeira</i>
Oriole Snake	<i>Spilotes pullatus</i>
Tree Boa	<i>Corallus ruschenbergerii</i>
Green & Black Poison Dart Frog	<i>Dendrobates auratus</i>
Glass Frog	
Rain Frog	

Brown-throated Three-toed Sloth and Keel-billed Toucan
